2019 Memberships (January - November 2019)

- \$70 per person
- Includes eight films at \$8 each plus a \$6 administration fee.
- Includes entry to your first eight selections beginning in January 2019. Your membership card will be punched at the first eight films you attend.
- Films, after your first eight, will cost \$8 each.
- Kelsey's 15% deal continues this year (15% discount on food and non alcoholic beverages on the day of a screening for the holder of a valid membership card)
- Current members may renew existing memberships for 2019 memberships on Monday October 15 prior to any screening. Non members may purchase 2019 memberships on Monday October 29 beginning at 3:00 p.m. prior to the 4:00 p.m. screening and any remaining memberships will be sold at 6:00 p.m. prior to the 7:15 p.m. screening.
- Cheques to be made payable to the Ancaster Film Fest and may be postdated to December 15, 2018.
- **Lost cards will not be replaced. If a membership is lost then one film per film date will be counted as attended. It is very difficult to track the usage of lost cards.**
- **If you are ill or unable to attend a film, a family member or friend may attend the film with your membership and benefit from your status as a Film Fest member.**
- **However, a membership card may be used only once for any film.**
- **Note: Membership cards are not valid for the AGH Film Fest (should we participate again in 2019). Tickets and packages would be sold separately for that festival.**
